29 MAY 1961

MEMORANDUM FOR: Salary and Wage Division
Office of Personnel

SUBJECT : Reclassification of [REDACTED] Finance Position
No. 1149

25X1A6a

1. Reference is made to recent dispatch [REDACTED] other dispatches on same subject and numerous discussions held with various officials of the Comptroller's Office relative to the reclassification of Position 1149, [REDACTED] Station, from GS-7 to GS-9.

25X1A6c 1!

25X1A6a

2. There is one fundamental point which probably has not been given due consideration in arriving at the proper classification of this position and that is the wide disparity between grades of the top finance position and the second finance position. In this case there is a gap of five grades.

3. In the operation of any office or activity the employee occupying the second position is always expected to have the right answers to all problems and questions in his particular field of endeavor during the absence of the Chief. This is true even if he or she does not carry the title of Deputy or Assistant Chief. As you are well aware field operations in particular must be carried on just the same even if the Chief of an Office and/or operation is absent for any reason whether it be annual or sick leave or away on official business. Also, it must be recognized that finance personnel in field stations are on their own and have nobody to turn to for consultation in their particular field. They must be qualified to weigh the facts and make the decisions. One can hardly expect a GS-7 to have near the judgment and ability required to carry out many of the duties and responsibilities of a GS-12 during his absence.

25X1A9a

4. [REDACTED], in [REDACTED] points out there are five bases which the Finance Officer is required to service and such service involves at least two visits to each base each year. During this absence and other absences of the Finance Officer, the finance work must go on as usual.

25X1A6c

- 2 -

5. The employee occupying the Fiscal Accounting Assistant position must be able when called upon to advise the Chief of Station and others relating to financial regulations, funding, accounting matters and all types of payments. Further, he is responsible for carrying out instructions of the Chief of Station in all financial matters and reporting to headquarters if any actions are contrary to regulations. He also has the duty of conducting liaison and executing funding agreements with other Agencies when necessary. Without going into a lot of detail, he is responsible for executing all the functions of the Finance Officer during his absence other than certifying vouchers.

6. I will be glad to discuss further any questions you may have in considering the reclassification of this position from GS-7 to GS-9. Since the operations of the [REDACTED] Station are considered very important and since this area may develop further into a trouble spot, it is possible that we may want to send a higher grade than a GS-9 to the location if the situation warrants at any time.

[REDACTED] 25X1A6c

1. A review of the duties and responsibilities for subject position forwarded by reference, was made by the Salary and Wage Division. Based on this review, it was determined that the appropriate grade for this position is GS-7.

25X1A2e 2. In view of the above, a replacement for [REDACTED] will be selected at this grade level.

[REDACTED] 25X1A2e

NE does not agree with the position stated above but has insufficient information to protest. The crux of the matter rests with your wording of para 2.h. of reference. If, in fact, Slot No. 1149 is the Assistant Finance Officer and if, in fact, the incumbent must take over all responsibilities of a Class A Finance Officer (except for Certification) in the absence of the Finance Officer, we believe you should renew your request. If, on the other hand, the responsibility passes to another administrative officer in the absence of the Finance Officer, this position will remain at the GS-7 level with a Fiscal Clerk as an incumbent.
